  International visiting professors
  External professional speakers
◆ Soft Skills complimentary added value offer incl.:
  Individual coaching and mentoring
  IAE Nice Career Center services
  Learning & practicing foreign languages

OBJECTIVES
Go deeper in fundamentals of management and train to meet the market's expectations.
Give you the ability to take your career a step ahead and gain transversal knowledge in Business Administration.
Learn from best practices to achieve your ambitions.

PRESENTATION
During the first 6 months of instruction, from October to March, you are provided with a solid grounding in business. From April to September, you conduct your internship and defend a dissertation at the end of your experience.
Courses are scheduled three days a week to allow you to study and work at the same time if you choose so. International candidates holding a student VISA can work up to 20 hours per week during their stay in France.
Cohorts are composed of international students and lecturers have a strong international experience. This environment ensures you effective and high interactive lectures, where students and instructors from different horizons, backgrounds, and countries meet and share their knowledge and experience.

Second most attractive destination in France - after Paris - with 164 different nationalities represented, the French Riviera will provide you with a true international experience going beyond your classes and lead you to become a real global manager prepared to nowadays’ business world.
Nice-Côte d’Azur international airport, second busiest of France, offers rapid and low-cost connections not only to tourist destinations for your weekends, but also to your next career opportunities around Europe and worldwide.

We offer you the chance to:
• Broaden your knowledge base,
• Supplement your core competencies,
• Go deeper on fundamentals acquired in management and train yourself in the expectations of the market,
• Give you the ability to take your career to the next level and gain more expertise in Business Administration,
• Acquire lifelong tools to achieve your ambitions and dreams.

Curriculum
(440 hours)
Lectures take place on Monday/Tuesday/Wednesday from October to December for the 1st semester, and from January to March for the 2nd semester.
The internship can be conducted part-time on the remaining days of the week from October to March, and/or full-time from April to September.
