EXECUTIVE MBA [EMBA]

OBJECTIVES

Gain in-depth knowledge in the field of business administration

Enhance your leadership potential

Give you the ability to take your career to the next level

Acquire lifelong tools to achieve your ambitions

KEY POINTS

One-year program entirely taught in English by **international professors and practitioners**

Part-time format compatible with a professional activity: two seminars per month (two-day seminars on Fridays and Saturdays)

Interactive learning with renowned lecturers

Business case in line with your professional activity

An **international study tour** as part of the program (Prague)

PRESENTATION

Our Executive MBA has a clear ambition : to **develop leaders who can navigate complexity, create value, and drive sustainable transformation**. In today's fast-changing environment, organizations expect more than managers. They need well-rounded decision-makers combining strategic thinking, financial expertise, and leadership.

Think & Decide (Management)

Strategic Management
International Business
Human Resources Management
Digital Marketing

Drive & Secure (Finance)

Accounting for Managers
Corporate Finance & Value Creation
IFRS & Global Financial Communication
Performance Management & Control Systems

Transform & Innovate

Artificial Intelligence in Management
Leadership & Team Management
Project Management & Innovation
CSR and Business Ethics

Curriculum (390 hours, 60 ECTS)

Two seminars per month (two-day seminars on Fridays and Saturdays), from October to June.

Either on campus or online.

The Business Case is conducted throughout the year, under the supervision of a member of the MBA Faculty.
